

MISSION
to the
WORLD

May 27, 2010

Dear Friends and 'extended team' of the Gray Family,

Warmest greetings in the wonderful name of our precious Lord Jesus Christ.

I am writing with a sense of joy and sadness. With sadness because our dear colleagues Rick and Wendy will be transitioning from MTW to serve full time with RUF-International, and with joy because, while they won't be working directly with us anymore, they will be serving in a ministry that is a perfect fit for their unique cross-cultural gifts and their many years serving overseas. We will miss them greatly, but very much commend them to their new labors with prayer and thanksgiving for God's leading and provision in their lives.

The Grays' transition will officially take place May 31st, 2010. The details of that transition and specifics about how to contact Rick and Wendy are in the letter that they have provided for you. That said, I would like to ask you to prayerfully consider continuing your prayerful and financial support to them as they will continue their service to the world mission movement, the only change is one of geography. To support the Grays in their new assignment, you can send your contributions to:

Reformed University Fellowship

1700 North Brown Road, Suite 104

Lawrenceville GA 30043

Please put "Rick & Wendy Gray" in the memo line.

You can also give *via* electronic funds transfers by including a note with your check indicating your desire to do so and specifying the amount you would like to give monthly. Please call the RUF office at 678-825-1070 with any questions.

Should you have any other questions for the MTW office or for me personally regarding the transition please contact me directly at bill.yarbrough@mtw.org. We very much love Rick, Wendy, and their children and would ask you to please pray with us for them as they begin this new season of ministry.

Many thanks to you, for your support of the people and ministries of MTW, we are grateful more than you can imagine.

In Christ alone,

Bill Yarbrough
